Ref.No.965/50.A1. dated 18-1-1950.

From
Sri M. Kesavan Unni Nayar, I.F.S.
Chief Conservator of Forests,
Egmore, Madras.

To
The Secretary to Government,
Development Department,
Fort St.George, Madras.

Sir,

Sub:--Establishment employed exclusively on Hagari plantations--Charges--Debit of--under Post War Reconstruction--Proposals--Submitted.

In G.O.Ms.No.1098 Development dated the 17th March 1945 sanction was accorded to the employment of certain staff for attending to the planting of trees on the banks of the Hagari river in the Bellary District and other items of regeneration. The expenditure on that establishment was being debited to the sub-head 'Post War Reconstruction - B. Forest Reservation (including village forests)' under the major head '10. Forest' with reference to para 2 of Government Memorandum No.34969-C/45-Development dated 22-8-1945 until the Hagari Plantation Division was abolished and merged with the Bellary Division consequent on the taking over of Panchayat Forests with reference to G.O. Ms.No.2088 Development dated 26th April, 1948.

2. Since the new Bellary Division comprises both departmental reserves and panchayat reserves, the expenditure was ordered to be allocated in the ratio of ⅔ and ⅓ between "10.C. I (i) excluding Post War Reconstruction' and '10 C.I (ii) Post War Reconstruction Panchayat Forests managed by Government', in G.O.No.Ms.843 Development dated the 21st February, 1949. With reference to this order, the expenditure on the establishment employed on the Hagari Plantations is also debitable to the former head viz., '10.C.I (i) Excluding Post War Reconstruction But the Conservator, Bellary Circle, has, in the accounts for the current year, been debiting the cost of the establishment employed exclusively on the Hagari Plantation to the head '10.C I (ii) - B. Forest Reservation (including village forests)', on the ground that the cost of such establishments was debited to this head prior to the constitution of Bellary Division (involving the amalgamation of Hagari Division) and the Accountant-General has also booked the actuals under the same head so far.

3. As Hagari Plantation is one of the items of work relating to Post War Reconstruction Forestry Scheme No.74 Further Forest Reservation (including village forests), I agree that the procedure adopted by the Conservator and the Accountant-General of debiting the expenditure on establishment employed exclusively on this plantation to '10.C.I (ii) Post War Reconstruction B. Forest Reservation (including village Forests)', is appropriate and I request that Government may be pleased to issue orders accordingly.

4. Early orders are requested as the final proposals for modifications to the sanctioned estimates for the current year have to be submitted to Government by 15-2-1950.
